Dear Lord Avebury,

Further to my recent letter about the trial of Mr. Erbaken (Turkey) I heard on the phone from Geneva today that the IPU observer has already made a brief verbal report. You will be glad to hear that he has made contact with both the prosecutor and defence lawyers and states that the defendant's interests are being well protected and that the trial is being conducted in a proper manner.

I will forward at a later date any written information which reaches me.

Yours sincerely,

Peter Shaw
